About

I'm an interface designer passionate about creating modern, functional digital experiences. I collaborate to transform ideas into clear, user-centered interfaces while also developing brand identity systems, logo design, and packaging that help businesses grow and connect with their audience.

Experience

Graphic Design Intern

Design Asylum | Honolulu, HI | Sept 2025 – April 2026

- Collaborated with creative directors on branding and UI concepts
- Developed modular design systems including color, type, and spacing rules
- Created packaging concepts aligned with product positioning
- Prepared client-ready presentations and production ready assets

Donut Baker & Barista

Holey Grail Donuts | Honolulu, HI | May 2024 – May 2026

- Delivered a welcoming, brand-aligned customer experience through clear communication and product knowledge
- Prepared fresh donuts daily while meeting quality and safety standards
- Glazed and finish orders to match brand presentation guidelines
- Managed high-volume orders in a fast-paced environment while maintaining accuracy

Mobile Associate

T-Mobile | Honolulu, HI | Sept 2023 – Jan 2024

- Delivered exceptional service through device selection and plan support
- Exceeded sales targets by clearly communicating product value
- Educated customers on new technologies and personalized solutions
- Managed multiple customer interactions simultaneously in a fast-paced retail environment
